# The Spring Six Case

Kate here! I've been trawling through all the latest offers and exciting new releases to bring you a six case designed to see you right through the Easter period. Think bright and full flavoured whites that will be perfect with your Good Friday fish and reds ranging from the light and delicate to the richer and punchier, all ideal to suit any and all thing lamb! Whether you're entertaining guests or looking forwards to a quieter Easter squirrelled away with a good book and a great bottle, then I've got you covered.

*as an aperitif or with starters*

## Daschbosch Verdelho Méthode Ancestrale 12.5% BREEDEKLOOF, SOUTH AFRICA

Aromas of lime, crisp apple with freshly baked pastry, and toasted almonds on the nose. The palate is bright and zippy with vibrant acidity and a soft creamy mouthfeel from its time spent on lees.

Food pairing: Funnily enough, I'm actually not a big fizz fan, however, when they're this good I'll make an exception - this is also ideally matched with oysters and smoked salmon, amongst some of my favourite things to eat, so I may be slightly biased...

Vegetarian, Vegan, Natural & Sustainable

*with lighter fish dishes*

## Contesa Pecorino ABRUZZO, ITALY 13%

Ripe honeyed nose with aromas of white peach and citrus fruits, and gently nutty, savoury notes. The palate is full and textured with pronounced minerality and delicate ripe fruit flavours leading to a long, spicy finish.

Food pairing: This is super versatile and would work with white meats and cheese, however I think it works best alongside shellfish and lighter fish dishes.

Vegetarian, Vegan & Sustainable

*with richer fish dishes*

## San Marzano 'Edda' Bianco 13.5% PUGLIA, ITALY

A distinctive blend delivering aromas of sun-ripened peach and mellow floral aromatics, which are interwoven with delicate hints of vanilla. Fresh and beautifully balanced, the rounded palate is elegantly styled and has a touch of minerality on the finish.

Food pairing: This is super food friendly, it's fantastic with all things fish but would be equally at home as an appetiser alongside hors d'oeuvres, with white meats or with cheese.

Vegetarian & Vegan

*with a shoulder of lamb*

## Viñas del Cenit Field Blend Tradición 14.5% CASTILLA LEON, SPAIN

Though very much a pale red in colour, this is officially labeled as Clarete. Produced mainly from Tempranillo, but with the addition of both white and red varieties as is traditional for field blends. This is a very fine and precise style of red.

Pale brick red in colour. Complex aromas of bramble and redcurrant fruit with a lightly herbal note. The palate is bright and fresh with raspberry and red cherry, vibrant acidity and supple tannins. A wonderfully delicate, elegant style but with plenty of character and a long finish.

Food pairing: With a nice juicy shoulder.

*with hearty lamb dishes*

## Juan Gil Silver Label Monastrell JUMILLA, SPAIN 15%

Powerful aromas of baked strawberry, blackberry and a hint of chocolate. Spice and cedar are layered with juicy ripe plum. Full bodied with ripe fruit and supple tannins, but the palate is left with an overall sense of freshness thanks to the crucial bright acidity. A complex wine with great appeal, concentration and length.

Food pairing: Such a big, generous wine needs a big, generous meal to go with it - think rich stews and koftas or lamb chops cooked on the BBQ (if the great British weather permits!)

Vegetarian, Vegan, Organic & Sustainable

*with the lamb roast*

## Alpha Estate 'Axia' Xinomavro/Syrah FLORINA, GREECE 14%

A full bodied and concentrated red with complex aromas of ripe blackberry, spice, vanilla, clove and cracked pepper. Rich, dark fruit flavours, quince and vanilla overtones are complemented by natural freshness from its cool climate origins.

Food recommendations: This would work beautifully alongside a lamb roast dinner.

Nestled in the heart of the Sussex countryside, close to the picturesque market town of Petworth, Roebuck Estates was founded by two friends who shared a passion for great wine and had a clear vision: to craft exceptional vintage sparkling wines every single year that could be enjoyed all over the world.

To achieve their goal, they knew they would have to grow the very best grapes from the finest vineyard sites in England. So, in 2013, they purchased their first parcel of land in West Sussex and Roebuck Estates was born.

They now have six parcels of land spanning the beautiful counties of Sussex and Kent and are known for their rich, fertile soils and exceptional quality fruit. They grow the classic trio of Champagne grape varieties – Chardonnay, Pinot Noir and Pinot Meunier. Each vineyard has been planted with carefully selected varieties and clones best suited to that land.

They are proud to have a full-time vineyard team made up of talented individuals who have worked all over the world. Using their wealth of knowledge and experience, they work tirelessly to produce the very best fruit for our English sparkling wines in each and every growing season.

Roebuck's vision is simple: to craft vintage English sparkling wines of exceptional quality every single year that are enjoyed all over the world.

Their vintage sparkling wines are a wonderful expression of the growing season in which they were made, adding to the cherished 'vintage' moments at which they are enjoyed.

# JIM BARRY WATERVALE RIESLING

50TH VINTAGE LIMITED EDITION LABEL

Was £12.59  
**£10.99**

The 1970s was a decade of disco, colourful counterculture and for Clare Valley, the birth of Jim Barry Wine's Watervale Riesling. As such, the family owned winery decided to mark the milestone with a temporary transformation of the popular wine, with a 70s inspired label, paying tribute to its birth year of 1974.

Certain names resonate strongly within Australian wine history and Jim Barry is one of them. It was Jim Barry's drive that helped shape South Australia's Clare Valley as a benchmark producer of world class Riesling and cemented it as one of Australia's premier wine regions. Jim was the first qualified winemaker in the Clare Valley, graduating with a degree in oenology from the prestigious Roseworthy Agricultural College in 1947. Founded in 1959, Jim Barry Wines is still family owned, with three generations of Roseworthy graduates. Jim's son Peter became managing director in 1985 and today Peter's children Tom, Sam and Olivia are the winemaker, commercial manager and brand ambassador respectively. Voted '2020 Winery of the Year' at the Halliday Wine Companion Awards, they produce highly acclaimed, award-winning wines.

*The Watervale Riesling grapes come from a special part of the famed Florita vineyard in Watervale, in the Clare Valley. The Mediterranean climate has a high diurnal temperature difference; the cool nights lead to the preservation of crisp natural acidity and delicate flavours. Mouthwatering aromas of lemon, grapefruit juice, lime and white flowers combine with a lick of mineral, wet slate. Refreshing and intense, the generosity of flavour shows all the hallmarks of Watervale Riesling, perfectly balanced by zesty acidity.*

**Château de l'Aumérade 'Cuvée Marie Christine' Rosé,**

**Cru Classé Côtes de Provence** 13%

PROVENCE, ROSE

The Château de l'Aumérade is a 400-year old estate located in the heart of Provence. Originally belonging to the Aumerat family, the traditional Mas property dates back to the Renaissance period. The Château was designated as a Cru Classé when the Provence appellation was created in 1955, a system classifying the wine estate rather than the vineyard area. It is one of only 18 that still remain in the designation. In 1930, a young Henri Fabre and his wife Charlotte, fell in love with the Château de l'Aumérade, with its 300 hectares of estate vineyards and purchased it from the Aumerat family. The Cuvée Marie-Christine was named after Henri and Charlotte Fabre's first daughter and the unique bottle shape was designed by Charlotte Fabre, herself a talented artist. She was inspired by the work of Émile Gallé, who is considered to be one of the major forces in the Art Nouveau movement.

A lovely pale powder pink hue, with a refreshing character of ripe strawberries combined with stone fruits, classic Provencal rosé.

# A WELCOME RETURN FOR SOME OLD FAVOURITES

## from TELMO RODRIGUEZ

*Over the last three decades, Telmo Rodríguez has had an outsized influence on the world of Spanish wine. This is due to how he and his partner, Pablo Eguzkia, have championed Spain's forgotten zones, outmoded classifications and near-extinct grape varieties. Telmo and Pablo scoured the country to find vineyards in Cebreiros, Rioja, Galicia, Malaga, Alicante and Ribera which are now producing exciting wines, that reflect their origins, using varieties like Garnacha, Tempranillo, Monastrell and many others.*

RRP: £13.95+ OUR PRICE: £11.59

**'Al-Muvedre' Monastrell** 13.5%

ALICANTE, SPAIN

Telmo Rodríguez, and his business partner Pablo Eguzkia, established the Al-Muvedre project in 2001 after an eye-opening trip to Alicante. Here, they discovered a treasure trove of overlooked old vines and a rich viticultural history.

This is a true Mediterranean expression of Monastrell. The aromas are full of slightly roasted berry and plum, with some earthiness. On the palate, this bold wine is full of dark fruits and garrigue notes, with an expressive and spicy finish. *Organic*

**Bodega Lanzaga 'Lanzaga' Rioja** 14%

RIOJA, SPAIN

Telmo Rodríguez left his family estate in Rioja in the early 1990s to make his name in the rest of Spain. When he returned to Rioja to start Bodega Lanzaga with his friend Pablo Eguzkia in 1998, he brought with him a broad experience of the outside world, not only in Spain but also in Burgundy, Bordeaux (where he studied) and the Rhône. This experience urged him to approach Rioja in a different way to that laid out by the Consejo Regulador, a Burgundian approach to Rioja, which makes this Bodega one of the most exciting in the region.

Intensely dark crimson, this is a rich and complex Rioja with subtle floral notes and sweet oak spices and a very well-defined dark forest fruit core. The elegance is matched by a very structured and defined palate, with powerful yet round tannins, well integrated alcohol, and a persistent finish. *Vegetarian, Vegan & Organic*

Medium purple in colour, this wine is made in a fresh, fruit-driven style. The lack of time in oak preserves the brightness of fruit, with ripe red cherry, redcurrant and plum and a juicy and fleshy palate nicely defined by well managed tannins. The wine has a medium body, balanced by well-integrated acidity and a fine mineral touch. *Organic*

# SAN MARZANO

# SUSCO SUSUMANIELLO

NEW IN  
£15.59

The Susumaniello grapes for this wine come from IGP Salento. Susumaniello is a red, thick-skinned variety indigenous to Puglia, which historically was mostly used for blending with Negroamaro and Malvasia. Having fallen out of fashion, it was almost endangered, however, modern single varietal wines are showcasing the potential of this variety. The name 'Susumaniello' derives from 'somarello', diminutive of 'somaro', which translates as donkey in Italian, referring to the tendency of the vines to produce high yields when young, somewhat like an overloaded donkey. However, once the plants mature, they drastically reduce their yield.

This is an intriguing Susumaniello, with floral notes, red berried fruit and spicy balsamic nuances interwoven through a finely textured and elegant palate.
